

ALK OFF 1

DEEP FAT FRYER CLEANER

Alk Off 1 is a heavy duty alkaline degreaser and decarboniser for use in commercial fryers found in the catering and food industry.

Its unique formulation provides for the effective emulsification of oil and greases in both hard and soft water.

PACK SIZE 10 Kilo Tub **CODE:** 0214-0010

USAGE DIRECTIONS

Drain off oil, fill fryer two thirds full with water, add Alk Off 1 at 12 - 25 grams per litre of water. Turn on heat and bring fryer to boil, then turn heat off and allow to stand for 10 - 15 minutes to fully penetrate soil. Some heavy carbon deposits may require agitating with a scraper or scotchbrite. Drain off, fill with fresh water at least twice and air dry before refilling with clean oil.

TECHNICAL DATA

Appearance	Off white granular powder	Solubility in water	Miscible
Odour	Perceptible	pH	14 (in solution)

CLP PICTOGRAM

Signal Word - **Danger**

CLP HAZARD STATEMENTS

H314 Causes severe skin burns and eye damage.
