

DRAIN CLEANER

LIQUID CAUSTIC BASED DRAIN CLEANER

Drain Cleaner is a liquid caustic based drain cleaner. Its unique formulation provides for the effective removal of organic matter such as food particles, proteins, fats, grease and hair in drains, gullies and grease traps, without harming plumbing fixtures and fittings or upsetting the bacterial action in septic tanks.

PACK SIZE 2x5 Litre Box **CODE:** 0209-02x5

USAGE DIRECTIONS

For clogged drains and traps, pour 1 - 2 litres of neat **Drain Cleaner** into drain or trap and allow to work overnight. If the blockage is large or the above procedure doesn't work, repeat the procedure increasing the amount of **Drain Cleaner** up to a maximum dose of 5 litres.

For routine maintenance, pour ½ -1 litre of neat **Drain Cleaner** into drain or trap and allow to work overnight.

TECHNICAL DATA
