

# ESPRESSO CLEAN

## ESPRESSO COFFEE MACHINE CLEANER

ESPRESSO CLEAN is a liquid cleaner for the cleaning of "groups" and brewing units on espresso coffee machines.

**PACK SIZE** 12x1 Litre Box      **CODE:** 0280-0012

**DIRECTIONS** - Always follow coffee machine manufacturers instructions.

**Cleaning coffee machine at the close of business each day:** -

1. Put a blank filter in the "group" filter holder, add 1 capful of Espresso Clean then place the holder into the machine.
2. Back wash by switching the machine on and allowing the water to circulate the group for 30 seconds.
3. After 30 seconds switch the machine off and allow the waste water to be discharged.
4. Repeat process 2 and 3 until the waste water discharged is clean.
5. Rinse the machine several times using the normal coffee making filter.

**Cleaning of filters and filter holders:** -

Add 2 - 3 capful's of Espresso Clean to 1 litre of boiling water in a jug, place filters and filter holders in solution and leave until solution becomes cold or filters and filter holders become clean. Rinse well with fresh clean water and air dry.
