

FURNITURE POLISH CONCENTRATE

FURNITURE POLISH CONCENTRATE

FURNITURE POLISH CONCENTRATE - once diluted ensures excellent sparkling results at vastly reduced costs when compared with traditional "aerosol or ready to use spray polishes"

How to obtain solution from Advantage Dial 4 unit:

Turn the product selector on the front of the unit to the FURNITURE POLISH (yellow) setting. Place an empty yellow labelled Furniture Polish spray bottle under the unit with the grey spout of the unit inside the top of the bottle and press the empty spray bottle against the product actuator bar for precise product solution - release when bottle is nearly full and the unit will stop filling the spray bottle.

How to obtain solution from Advantage KP1H unit:

Place an empty yellow labelled spray bottle Furniture Polish under the unit with the grey spout of the unit inside the top of the bottle and press the empty spray bottle against the product actuator bar for precise product solution - release when bottle is nearly full and the unit will stop filling the spray bottle.

How to obtain solution from Advantage pelican pump:

Place spray bottle under pelican pump and add 4 shots of pump - fill to top with water.
