

# GLASSWASH

## NON CAUSTIC GLASSWASHING DETERGENT CONCENTRATE

Glasswash is a concentrated liquid glasswashing detergent which is designed for use in automatic glasswashing machines.

Its unique caustic free formulation is much safer to use on glassware than traditional detergents as it does not cause "silica etch".

When used in conjunction with Advantage Glassbrite rinse additive there will be no adverse effect on beerhead retention in the glasses.

**PACK SIZE** 2x5 Litre Box      **CODE:** 0115-02x5

### USAGE DIRECTIONS

Glasswash is designed to be used in conjunction with Advantage Chemicals electronic dosing equipment. It can however, also be used in conjunction with integral dosing pumps on glasswashers where they are fitted.

The usage concentration range is between 0.15% - 0.3% (1½ - 3ml/litre) depending on the soil load and the local water conditions present.

### TECHNICAL DATA
