

OASIS BATHROOM CLEANER/SANITISER

HARD WATER BATHROOM CLEANER & SANITISER CONCENTRATE

OASIS BATHROOM CLEANER CONCENTRATE is an acidic based hard water bathroom cleaning and sanitising concentrate that once diluted will ensure excellent smear free sparkling results at vastly reduced costs when compared with traditional "ready to use" products.

How to obtain solution from Advantage Dial 4 unit:

Turn the product selector on the front of the unit to the Bathroom Cleaner (red) setting. Place an empty red labelled Bathroom Cleaner spray bottle under the unit with the grey spout of the unit inside the top of the bottle and press the empty spray bottle against the product actuator bar for precise product solution - release when bottle is nearly full and the unit will stop filling the spray bottle.

How to obtain solution from Advantage KP1H unit:

Place an empty red labelled Bathroom Cleaner spray bottle under the unit with the grey spout of the unit inside the top of the bottle and press the empty spray bottle against the product actuator bar for precise product solution - release when bottle is nearly full and the unit will stop filling the spray bottle.

How to obtain solution from Advantage pelican pump:

Place spray bottle under pelican pump, add 1 shot of pump - fill with water.

PACK SIZE

2x5 litre box

STOCK CODE

0266-02x5

USAGE DIRECTIONS:

Spray a thin film of Oasis Bathroom Cleaner Concentrate onto the surface to be cleaned, leave for a couple of minutes contact time for maximum bactericidal activity and time to penetrate soil and scale. Clean area with a brush, cloth or sponge, then rinse off with clean water and then allow to air dry for a smear free sparkling finish.

TECHNICAL DATA

State	Orange/peach coloured liquid	Solubility in water	Soluble
