

ANTIBAC

“BAG IN THE BOX” BACTERICIDAL HAND SOAP

ANTIBAC by Gojo is a highly economical “bag in the box” fragrance free bactericidal hand soap with a broad spectrum degerming agent.

The advanced formulation of ANTIBAC by Gojo combines the mildest cleansing agents with the richest conditioners and emollients as well as the broad spectrum degerming agent.

ANTIBAC by Gojo is concentrated for extra value and offers you the customer the best all round performance of any synthetic bactericidal hand soap available.

DIRECTIONS:

ANTIBAC by Gojo is used neat from its own special dispenser.

Ensure that hands are pre wetted with hot water, apply soap from dispenser, lather hands well for at least two minutes, rinse off with fresh clean water and dry with a paper towel or hand dryer.
