

HAND SOAP Q

ANTI BACTERICIDAL LIQUID HAND SOAP

HAND SOAP Q is a non perfumed anti bactericidal liquid hand soap, designed for use with refillable type soap dispensers found in the Catering, Food and Leisure Industries.

HAND SOAP Q contains emollients ensuring that it is mild on the hands, yet effective in use with excellent lathering properties.

DIRECTIONS:

Ensure that hands are pre-wetted with hot water, apply one or two shots of HAND SOAP Q from soap dispenser, lather hands well for at least two minutes. Then rinse hands well with fresh clean water and dry with a paper towel.
